Recipe for Vegetable Flan

1 onion, finely sliced  
2 cloves of garlic, chopped  
4oz mushrooms, sliced  
1 aubergine, diagonally sliced  
1 courgette, diagonally sliced  
1 red pepper, sliced  
1 yellow pepper, sliced  
½ teaspoon mixed herbs  
Salt & Pepper  
2-3 tablesp. olive oil  
4oz cheddar cheese, grated

Shortcrust pastry for an 8-9" flan case

8oz plain flour  
2oz butter  
2oz white fat or lard  
A pinch of salt  
Approx. 8 teaspoon cold water

Turn the oven on to 200C and pre-heat a large frying pan or wok.

Fry the onions in the oil for 5 minutes until golden before reducing the heat. Add the garlic and fry for a further minute. Add the remaining vegetables to the frying pan, plus a little extra olive oil, if necessary, to lightly coat the vegetables. Add the herbs and seasoning. Saute gently whilst you make the pastry.

To make the pastry, rub the butter and fat into the flour until it has the texture of fine breadcrumbs. Add the water and fold in with a knife. Make into a ball and roll out into a circle.

Place in a greased flan case, and shave off any excess and fill in any missing places. Pinch the pastry, index finger between finger and thumb, to provide an attractive edge. Line the pastry with foil and fill with dried beans or peas "baking blind".

Cook at 200C for 20 minutes and then remove the foil and beans. Reduce the heat to 190C and cook for 5-10 minutes more. When the case is dry and golden, fill it with the vegetables and top with the grated cheese, return to the oven for 5-10 minutes to melt the cheese.
